Supplier Shipping Instructions

A. Small Parcel Shipments. Small parcel shipments are defined as shipments with a total shipment weight less than or equal to 250 lbs. Shipments must be consolidated. For safety reasons, the max weight per box should be limited to 70 lbs., maximum combined length and girth of 130 inches, and a maximum length of 106 inches. Please refer to the link below for instructions on how to perform the measurements.

<https://www.ups.com/content/us/en/resources/prepare/oversize.html>

- AGCO's small package air and ground service provider is UPS (United Parcel Service).
- Shipments by another small package service provider must have prior approval from your AGCO Transportation Planner.
- The supplier **must** ship UPS Ground Collect. "Prepay & Add" shipments are **not** allowed. Freight charges added to a material invoice will be deducted from the invoice.
- Do not purchase UPS declared value insurance at AGCO's expense unless the value of the goods exceeds \$5,000 USD.
- Include the AGCO P.O. number(s) in the reference number field when shipping via UPS.

Supplier Shipping Instructions (Continued)

The supplier is NOT required to contact AGCO's Inbound Transportation Planners when scheduling small parcel shipments.

- **Canadian Suppliers: AGCO's U.S. Customs Broker is UPS-SCS.**
- **Canadian Suppliers: Intra-Canada ship Purolator Courier.**

B. Truck (LTL: Less-Truck-Load) & (TL: Truck Load) Shipments: LTL and TL shipments encompass shipments that are **greater than 250 Lbs. gross**. The supplier **MUST** enter the shipment directly into the AGCO iTMS using method 1 described below **by 12:00 PM Central Standard Time on the business day prior to the planned "ship day"**. Please note that we may take **24 to 48 hours to dispatch the shipment to the carrier**.

1. **Enter the shipment directly into the AGCO iTMS (Transportation Management System):** The iTMS is a web based portal and the application can be accessed online. Users will need a user id and password to access the Transportation Manager application. Please send an email to TMSAdmin@AGCOcorp.com to request a user-id for the iTMS application. Please include your company name, email address, primary user name, and telephone number. Only one logon-id will be issued for each vendor shipping location. Once your logon-id to Transportation Management System is provisioned, one of our load planners will contact the user to schedule training on the application.
2. **Alternate Method: Contact AGCO's Inbound Transportation Planner via email or telephone to arrange transport, if the AGCO TMS is unavailable:**

| AGCO DESTINATION | NAME | PHONE | EMAIL |
|---|----------------|--------------|--|
| AGCO Manufacturing: Beloit, KS Cawker City, KS Hesston, KS Jackson, MN / Round Lake, MN | Tyler Goertzen | 620-327-6189 | Tyler.Goertzen@AGCOcorp.com |

| AGCO Parts Division: Batavia, IL Independence, MO Supplier "Ship Directs" Dealer Returns | Zach Elfers | 620-327-5576 | Zachary.Elfers@AGCOcorp.com |

Important Note: Escalation Procedure – If no response from the above AGCO Transportation Planners, please contact Michael.G.Anderson@AGCOcorp.com

Supplier Shipping Instructions (Continued)

C. Truck (LTL & TL) continued....

AGCO requires the supplier to provide the following shipment information:

- **Origin** pickup location & **Destination**
- Shipment Gross Weight
- Number of pieces (Pallets/Skids/Drums/Cartons/other) and dimensions.
- Trailer space requirements (Linear Feet)
- Pick-Up Date & Closing Time.
- **Important Note:** Truckload Freight must be available for pickup at opening of business on the scheduled pick up date.
- AGCO Due Date
- AGCO Purchase Order Number **must** be included on the Bill of Lading.
- Special shipping requirements, i.e. Hazardous Material, Lift Gate, Flat Bed, etc.

AGCO will provide the supplier with carrier routing information and the AGCO Load Number after 4:30 pm CST the day of the shipment request via email. The AGCO Load Number and AGCO P.O. # must be notated on the Bill of Lading.

- From time of arrival on the next business day, the supplier has **1 hour** to load the freight on the truck. If the supplier delays the truck causing "CARRIER DETENTION," the supplier will be responsible for the carrier detention charges. (If applicable).

D. "Bill To" Address: When AGCO is responsible for the freight charges, mark/check the "Prepaid" box **AND** include the following third party "Bill To" address:

AGCO C/O WILLIAMS & ASSOCIATES, INC. 405 East 78th Street, Bloomington, MN 55420-1251

E. Expedited Shipments: The supplier must contact their AGCO Material Planner for prior approval for all expedited shipments where AGCO is responsible for the freight charges. If the supplier is responsible, the supplier shall pay all costs in excess of those normally paid by AGCO.

F. "Ship Directs" to U.S.: When shipping UPS directly to an AGCO Parts Division Dealer, use the Batavia UPS account number or contact AGCO's Transportation Planner (Page 4, Section B.2).

G. "Ship Directs" to Canada: Applies to all "Ship Direct" orders shipping to AGCO's Canadian dealers and/or AGCO Canadian Parts Distribution Centers. Refer to AGCO – Batavia instruction letter (Pages 11 & 12) or, contact AGCO's Parts Division Transportation Planner (Page 4, Section B.2).

Special Instructions

1. It is the supplier's responsibility that all shipments meet the AGCO due date/dock date/delivery date.
2. Shipping early is not allowed, however:
 - a) AGCO Manufacturing (Hesston, Jackson/Round Lake, and Beloit) will accept receipts 2 days prior to due date.
 - b) AGCO Parts Division (Batavia and Independence) will accept receipts 7 days prior to due date.
3. AGCO suppliers shipping via truck may be given a pre-assigned, authorized "ship day" or "ship days" of the week. This allows AGCO to optimize and consolidate inbound freight for the most cost effective modes and routings. If a supplier is not aware of their pre-assigned authorized "ship day" or "ship days" of the week, the supplier **must** contact their AGCO Transportation Planner. (Refer to Page 4, Section B.2.). Unauthorized shipments will result in the supplier being debited an amount equal to the freight charge.
5. "Prepay and Add" freight terms are **not** allowed and will result in the supplier being charged back for the amount of the freight. Exception: Prearranged agreement of "Freight Terms" with AGCO.
6. Any of the non-conformities listed below **may** result in the supplier being debited an amount equal to the freight charges:
 - An incorrect carrier was used.
 - Premium freight was utilized without proper authorization.
 - A shipment was sent collect when a scheduled pick-up was missed.
 - The agreed upon shipping schedule or frequency was not followed.
 - Shipment not billed to the correct third party "Bill To" address.
 - Shipment information was not sent to AGCO by 12:00 PM CST, the business day prior to the "ship day".
 - Incorrect or no freight classification on the bill of lading. If unknown, default to class 77.5
7. According to the National Motor Freight Classification rules on packaging, freight having surfaces liable to damage must be in boxes, crates, or completely wrapped with material of sufficient strength to prevent abrasion, marring or denting during transit.

The shipper is duty bound and bears responsibility to effectively package the lading tendered for transportation to insure it will withstand the ordinary rigors of transportation in the LTL environment and allow for proper handling into and out of the trailers by mechanical handling equipment.

Bill of Lading Instructions

SHIPPING TO MULTIPLE AGCO DOCKS

The following bill of lading instructions must be used when shipping multiple orders to AGCO on the same day. This only applies when the AGCO Purchase Order or AGCO Supplier Release Schedule identifies delivery to multiple AGCO dock locations, within the same city/town:

- A. Multiple bills of lading on the same day, to the same destination, are not allowed.
- B. Only one (1) bill of lading per day is required when shipping to AGCO, regardless of the dock numbers(s) shown on the AGCO Purchase Order or AGCO Supplier Release Schedule.
- C. Following is an example of how to show the multiple docks in the body of your bill of lading:
Dock 1 = 2 skids

Dock 2 = 3 skids

5 skids = 000 lbs.
- D. Each skid/pallet must be clearly marked with **LARGE BLACK LETTERING** or, preprinted labels: “**DOCK 1**”, “**DOCK 2**”, etc.

This procedure is required to hold AGCO’s inbound freight costs to a minimum. Multiple bills of lading issued on the same day are very costly.

If you have any questions or concerns, please contact your AGCO Inbound Transportation Planner. (Refer to page 4, Section B.2.).

Shipping PPAP Samples

When shipping PPAP, (Production Part Approval Process), samples to **AGCO Beloit**, **AGCO Hesston**, or **AGCO Jackson**, the package(s) must specify that the parts are PPAP samples. (As illustrated in the “Sample” label).

U.S. To Canada “Ship Directs” **Batavia Only**

RE: “SHIP DIRECTS” TO CANADA

The following guidelines apply for shipping direct to AGCO’s Canadian dealers and/or AGCO’s Canadian Parts Distribution Centers.

- 1) All shipments **MUST** be entered into the AGCO iTMS with the Canadian destination address listed as the “Recipient.”
- 2) Our iTMS will automatically consign all shipments to the following consolidation address in the USA. This forwarder will move the freight to the final destination in Canada.

AGCO Parts Division
C/O Frontier Supply Chain
1450 W. Thorndale Ave.
Itasca, IL 60143
Phone Number: 630-250-3544 ext. 401
Contact: Michael Virzi
Email: mvirzi@frontierscs.com

NOTE: EVEN THOUGH THIS IS A U.S. ADDRESS, THESE ARE INTERNATIONAL SHIPMENTS AND CUSTOMS DOCUMENTS ARE REQUIRED.

- 3) The following are preferred carriers:
 - a) For shipments less than 70 Lbs. per piece and 250 Lbs. total shipment: United Parcel Service Acct. (Please reach out to your AGCO Transportation Planner for the UPS account code).
 - b) For Truck shipments contact the AGCO Transportation Planner (Page 4, Section B.2).
- 4) All shipments must be 3rd party billing to:

AGCO C/O Williams & Associates, Inc.
405 East 78th Street
Bloomington, MN 55420-1251
- 5) Be sure that each dealer order is individually packaged and not consolidated with other Canadian dealer’s freight.
 - a) Each box should be labeled with the ultimate consignee address. Please use clear tape over that address and then apply a label showing the Frontier address in **Itasca** directly on top of the consignee information. This allows us to peel off the **Itasca** address and reveal the address label of the ultimate Canadian consignee.
 - b) Be sure each box is legibly labeled with total piece count for each order. For example, if you have an order consisting of three pieces going to one dealer, the boxes should be labeled as follows: 1 of 3, 2 of 3 and 3 of 3.

U.S. To Canada “Ship Directs” (Continued)
Batavia Only

6) **These are international shipments!** A commercial invoice containing the following information **must** accompany each shipment. Without this information, your shipment will not be allowed to move. In addition, please scan and email the invoice to: Frontier4@frontierscs.com

- 1) Ultimate consignee
- 2) Country of origin
- 3) Piece count and weight
- 4) Part number and description
- 5) Unit cost and invoice total
- 6) Reference (PO) number

The documents must be placed in an envelope labeled “CUSTOMS DOCUMENTS” and taped to the outside of the box. (Only one envelope is needed per order)

ROUTING ORDER

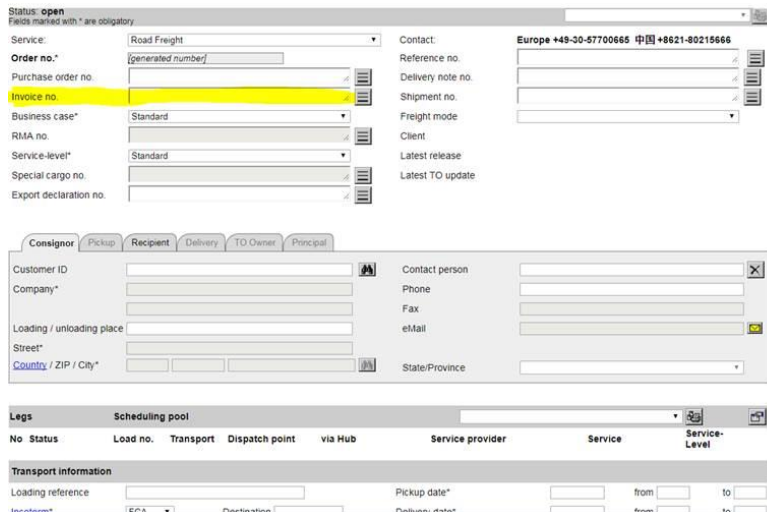

Dear North American Supplier,

AGCO South America has awarded their ocean freight business to the freight forwarder CEVA. Effective May 20th, 2019, all material that is ready for pickup **MUST** be consigned to:

AGCO South America c/o CEVA Logistics
640 N. Central Avenue
Wood Dale, IL 60191 – USA

- All shipments **MUST** be entered into AGCO’s Transportation Management System, (**4Flow iTMS**), no later than 12:00 pm central standard time on the business day prior to the requested ship date.
 - Or, email AGCO’s Transportation Planner: Tyler.Goertzen@AGCOcorp.com

Important Note #1: Your supplier commercial invoice number(s) must be added to the “Invoice No” field in the 4Flow iTMS. (See yellow highlighting below for the exact location). If you are shipping multiple invoices on one shipment, please separate each invoice number by a comma. (,)

Users will need a user id and password to access the 4Flow iTMS application. If you do not have a user-ID, please send an email to TMSadmin@agcocorp.com to request access. Please include the primary users’ name, company name, email address, and telephone number. Only one logon-id will be issued for each vendor shipping location. Once your logon-id to the Transportation Manager is provisioned, our Transportation Planner will contact the user to schedule training on the application.

Important Note #2: You **MUST** send a set of (3) original commercial invoices, (each original signed in blue ink), and a packing list to the following contact via courier. (UPS Next Day Air – Please contact Tyler.Goertzen@AGCOcorp.com for the UPS Account Code)
